

Four Points Youth Camp LLC

Job Title:

Technology Counselor

General Job description:

The Technology Counselor is responsible for implementing the Technology program laid out in the handbook.

Qualifications

1. Must have any basic experience with any computer programming language (swift, Python, Java, C, C++)
2. Experience using iPads or android tablets
3. Experience using programable toys or robots.
4. Enjoys working with tech products and teaching it to others.
5. Must be 18 years or older.
6. Must be willing to participate in a training to learn the program.

Major Responsibilities

1. Implement the program as laid out in the handbook
2. Supervise the campers in your program area
3. Take counts at the beginning and end of your program.
4. Work with each camper until they understand the concept you are teaching.
5. Supervise lunch and snack times
6. Supervise AM or PM Care

Key Competencies:

Four Points Youth Camp LLC is dedicated to creating a fun and energetic atmosphere. We ask that all of our staff be willing to sing songs, act out skits, and be as out-going as possible. Four Points is a structured day camp and we ask that employees be able to follow daily instructions and guidelines.
